HAPPY 2023 AIA TALLAHASSEE

A busy and productive 2022 is now behind us as we look forward to a new year! Our members have done a lot to be proud of and we hope to build upon those achievements as we begin this new chapter for AIA Tallahassee. Our 2023 board is one of the youngest to date and has the enthusiasm to make this a year to remember. Our past leaders have put in a lot of work to bring our group back to what it was before the pandemic, and as your president I look forward to seeing how much more we can all accomplish!
